

Asthma Society of India

(Under KKV Trust)

To whomsoever it may concern

Asthma Society of India - Kisaan Kisani Vikas Trust a registered non-profit based charitable organization Registration No 621. Our Aim is to eradicate asthma disorders from general masses.

As a part of the continuous search to find medication and prevention for such disorders, we have observed that Sharp Plasmacluster Ion Air Purifiers, sold in India, are effective in removal of asthma and allergy triggers like House Dust Mites, Pollen, Influenza Virus, Pet hairs, foul odor.
