

## Construction & Highways Company resolves Cloud Printing & Scanning issues with Sharp MFPs.

### The Challenge

Housing Company is into development high-end commercial establishments and Highways. Customer has many individual MFPs & printers and prints a lot. Accessing the print & scan on the go from the Cloud was a challenge with Data Security. Also they had challenge in scanning sensitive documents without rotation while duplex scanning.

### Technology Solution from Sharp

Sharp has provided 3 Nos. MX-4071 Color Wifi MFPs with DSPF (Duplex Single Pass Feeder) & Cloud Connect to access Cloud on the go.

Relying on Individual laser Printers/un-secured network based MFPs, construction company who has offices across India faced issues with access cloud printing/scanning on the go during pandemic. With the help of high quality Sharp A3 Color Laser MFPs combined with Cloud Connect, they were able to access the print & scan on the go.

### Industry

Construction

### Challenges:

- Secure Print
- High speed scanning of sensitive documents
- Scan to Cloud/Print from cloud
- Follow Me Print at various locations

### Solutions
