INFORMATION TECHNOLOGY COMPANY RESOLVES PRINT SECURITY & CLIENT BILLING ISSUES WITH SHARP MFP's AND COST RECOVERY SOFTWARE.

Relying on Individual laser Printers/Un- secured Network based MFPs, IT Company who has offices across India faced issues with Print Security & Client Billing Issues. With the help of High Quality Sharp A3 Color & Mono Laser MFPs combined with cost recovery software they were able to overcome these issues.

Industry

IT Consulting

Challenges

- Secure Print.
- Print Quality of Project Reports/Tender documents.
- Monitoring and Charging to their Customers.
- Follow Me Print at various locations.
- Central reporting from multiple locations.

Solutions

Highest Configuration of Sharp A3 Color/ Mono MFPs and accounting Software with Centralized Monitoring Facility & Follow me.

The Challenge

IT Company, which has multilocation setup in India provides IT consulting services to Global Companies. They print huge volumes of printing for Tender submission and project reports to various customers. It is difficult to take secure print with existing setup & Monitor and Chargeback to their customers based on usage of MFP. Decentralized printers and no central reporting was making it a nightmare to do the billing from central location.

Technology Solution from Sharp

Sharp has provided 55 nos. (BP-30M28-44 Nos. MX-3551 x 11 Nos.) of Sharp MFPs with Cost Recovery Software to provide central reporting and Follow Me (Print from any location). Based on the usage they generate client billing for various Tenders/Projects. These MFPs can print from Smart Phones with Free Mobile App (Ios, Android) which is available on App Store.

Benefits

- Complete Monitoring of Print usage.
- Client Billing based on usage.
- Print from Multi location facilities.
- Uniform solution across India.
