

# SHARP

Be Original.

## Who bakes the healthiest bread? Mom and Sharp Breadmaker.

When you buy bread you're putting your trust in the baker to use fresh, high quality & healthy ingredients. But the only way to have complete faith in the quality of your bread is to make it yourself, right from step one. Luckily, Sharp Breadmaker lets you do just that, make it yourself at home.

### Full-Automatic Function

No supervision required

### Adjustable Browning Control

Make bread light, medium or dark

### Memory

Store settings for easier usage

### Auto-Resume

Pick right up after a power cut

### Jam Maker

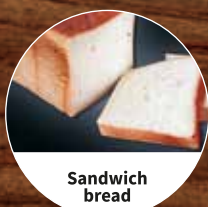

Fresh homemade flavours
