

Confectionary manufacturing company resolves printer optimization, fleet management and service issues with Sharp MFPs and Accounting Software.

The Challenge

The confectionary manufacturing company who has multi-location setup in India manufactures chocolates. They have multiple printers in various factories managed by local vendors. Managing consumables, fleet management and service support across locations was a challenge.

Technology Solution from Sharp

Sharp has provided 21 nos. (MX-3050N -2, MX-M464N-5, MX-M354N -5, MX-M265NV-8 and MX-1810u-1) of Sharp MFPs with Accounting Software and Follow Me (Print from any location).

Relying on unsecured network-based MFPs, a confectionary company that has factories across India faced issues with multiple small printers managed by multiple vendors. With the help of Sharp A3 Color & Mono Laser MFPs combined with Accounting Software, they were able to overcome those issues.
