

ADD SHARP'S **PLASMACLUSTER** PURITY TO YOUR PET PARENTING JOURNEY

Bring home SHARP Air Purifier with award-winning & certified Plasmacluster Technology for better care for your loved ones

LARGE EYES & TINY NOSTRILS

“The toxic air around us irritates the pets’ eyes & blockage in tiny nostrils causes breathing troubles.

COPD is one of the major causes of premature pet deaths in India.”

- Reputed Veterinarian in Delhi

PURIFYING AIR, NURTURING CARE

Pet parenting is a phenomenal experience. It brings you a lot of joy and makes every day lively. However, air quality and breathing can cause regular doctor visits. SHARP air purifiers filter out dust, allergens, and haze in the room. Give your pets a clean, fresh, breath with the patented Plasmacluster Technology.

ALLERGY PROTECTION

SHARP room air purifiers get rid of the airborne allergens in your home. The high-grade HEPA Filter traps 99.7% of microscopic particles up to 0.3 microns from the air.

HEALTHY AIR, HEALTHY LIFE

Reduce the risk of airborne diseases by safeguarding them from haze, mould, viruses, and airborne bacteria.

NO ODOUR

Our pets have their odour and an effective & easy way to reduce it is by bringing home the SHARP room air purifier.

NO DANDER, NO ALLERGENS

Pet dander and other sheddings can cause many irritations, allergies, and other serious health problems. Active and passive purification helps manage them.
