Powerful Copper Motor

A multifunctional product needs a reliable motor. Our mixer grinder runs on a uniquely designed (750 W / 1000 W) copper motor. We provide a **5-years warranty on motor and 2 years warranty on product** ensuring high performance and longer product life.

MULTIPLE JARS

Multiple jars for multiple needs. A small jar for chutney, purees and spices in smaller quantities. A 1.0 litre dry grinding jar for spices. A 1.5 litre wet grinding jar for large quantity operations, and a blender jar for the best extraction of citrus juices.

AUTO CUT OFF

Our smart appliances keep getting smarter. The intelligent auto cut-off feature is designed to prioritize your well-being and convenience while ensuring enhanced motor life.
